## About CAP

CAP first opened its doors in 2015. It is a 20,000-square-foot Scouting and community adventure education facility designed to promote essential skills and a love of adventure. It includes a two-story rock-climbing wall, archery and air rifle ranges, the Enger Family Technology lab, the Steven Shrader Culinary Lab, the Graebel Relocation Services Outdoor Adventure Zone, the Mark E. Honnen Leadership Development Center, and the Walter Imhoff Sustainability Lab.

CAP is open to many organizations in addition to Scout groups such as: schools, churches, daycare centers, youth advocacy groups, businesses and the community at large. CAP also offers a STEM curriculum to educate students in science, technology, engineering and mathematics in an interdisciplinary and applied approach.

## Our Mission

Whether you are looking for state standard-backed programs or unique and tailored activities, one of our labs, classrooms or design centers is equipped with everything you need. We strive to create life-long learners through the modality of experiential education and positive growth. We prioritize inclusion and are open to everyone, always endeavoring to exceed the expectations of those we work with.

## Scouting Programs : Scouts, BSA

CAP offers a bevy of Merit Badges and advancement opportunities for our Scouts. There are scheduled Merit Badges as well as the opportunity to schedule private MB classes for those your Troop is looking to get completed. Looking for a fun adventure day for your Scouts? CAP is also available for activity days and overnights, where your Scouts can enjoy our Adventure Zones like the climbing wall, archery or bb range and gaga pit!

### What do we offer?

- Scheduled In-Person and Virtual Merit Badges
- Private Merit Badge Classes
- Adventure Overnights
- Birthday Parties
- Activity Days (Climbing, Archery, BBs)
- STEM and Creators Summer Camps
- Teambuilding and Leadership Programs
- Troop Meeting Space
- Rental of our Climbing Wall or Shooting Ranges
- Eagle Party Hosting

### When?

CAP is available 24/ 7 by reservation! We typically book almost a month out, so be sure to book ASAP!

### How much?

Programs vary in cost from \$10 - \$35/ participant.

### More on Merit Badges-

Merit Badge classes cost \$15/ Scout and above, with most being offered at \$35. While we cannot complete all Requirements of all MBs, we always provide our counselors' contact information to ensure homework can get submitted and signed off on! CAP also offers Merit Badge Makeup Days a couple times a year to finish pesky Requirements that are preventing your Scout from finishing.

The current offerings can be found on the calendar on our website.

## Scouting Programs: Cub Scouts

We love to have Cub Scouts here at CAP! Bring the Pack around for an activity day with climbing, archery and BBs! Or reach out about working on your Pinewood Derby cars in our craft shop. CAP even offers private advancement programming- just ask! Looking for a fun summer camp that's local? Our STEM camp is hands-on and voted one of the best in Denver by Colorado Parent!

## Adventure Overnights

Looking for a customized sleepover? Sign up for an Adventure Overnight at Colorado Adventure Point! For just \$35 per youth, your group gets to enjoy three of our Adventure Zones, picking between climbing, archery, STEM activities, BB shooting or craftsmanship. There will also be s'mores and a movie to wind down from all the excitement. Whether you are celebrating a birthday or simply looking for a unique and fun evening, we look forward to hosting you! Check out 'Adventure Overnights' under 'Scouting Programs' on the website to book!

## Birthday Parties

CAP is the perfect place to host your child's next birthday party! Youth of any age will have an amazing time climbing, shooting bows and arrows or perfecting their BB gun techniques on our ranges.

Birthday parties at CAP include two (1 hour each) Adventure Zones of your choosing and 45 minutes in one of our activity rooms for presents and food. You bring snacks and decorations, we bring the fun! Book at the 'Birthday Parties' page under 'Youth Programs' on the website.

## STEM Camp

### Classic STEM Camp Weeks

CAP's STEM Camp isn't your typical science camp. Our campers get to experiment with chemistry, physics and engineering through a variety of materials, experiments and challenges to meet their curiosities and skill level in our challenge by choice model. In addition to building engineering models and friendships, the campers get to enjoy our climbing wall, archery range and more- and learn the science behind these fun activities! Even better, let us know your camper is a Scout and they can work on advancements in areas like Archery and STEM!

**When?** June 6th - 10th, June 20th - 24th, July 11th - 15th, July 25th - 29th, August 1st - 5th

Additional siblings cost \$230/ week.

## CAP Summer Camps

### Creators Camp

Want to give your young creative a chance to work with materials like wood, metal and clay? What about an art program that allows your kiddos to pursue the projects of their choice, with the guidance and support of a seasoned artist? Creator's Camp is the camp for them! Our program is meant to give our young creators the chance to work on projects that they choose and use materials they've never tried- they just need to bring the creativity! Scouts can also work on their Art, Leatherwork and Painting Merit Badges!
